Trooper Steven M. Kelley
New York State Police "E"
Waterloo, New York 13165

Dear Trooper Kelley,

It has been noted that during the week of March 6, 1988, you accomplished three (3) Dangerous Drug Arrests.

Elimination of drugs is a high priority objective in our field and it would appear that you are carrying more than your share of the load.

If we were fortunate enough to possess a few more highly motivated Members like yourself, we just might accomplish our mission.

Keep up the excellent police work!

Sincerely,

Lieutenant Frank B. Benosky
Zone II Commander
