Major McQueeny
New York State Police
Troop E Headquarters
Rout 332
Canandaigua, New York 14424

Dear Major McQueeny;

I am writing on behalf of the Seneca Falls Police Department to extend our sincere appreciation to Trooper Steven Kelly (SP Waterloo). Trooper Kelly time and again has demonstrated what police work is all about. Prior to your arrival in Troop E, Trooper Kelly initiated a mega larceny case involving stolen brass and nickel from Gould Pumps Inc.

Recently, Trooper Kelly aware that Seneca Falls Police were investigating a number of burglaries developed information as to the suspects. Trooper Kelly along with uniformed members of Seneca Falls Police executed search warrants and recovered over \$15,000.00 in stolen property and affected the arrests of 6 persons. Needless to say our community can now rest easy Thanks to the effort of Trooper Kelly.

While Trooper Kelly is an effective Road Trooper his talent of developing informants and solving the "big cases" is not without notice in this part of Seneca County. He would be a perfect addition to a BCI unit and a credit to the fine tradition of the New York State Police. We look forward to not only working with Trooper Kelly but, the others at SP Waterloo.

In closing, welcome to Troop E and drop in and pay us a visit.

Sincerely,

Sgt. Gary S. Sullivan

Gary S. Sullivan

Sergeant

Seneca Falls Police Department
