Dear Major Aron:

I would like to take this opportunity to thank you, the Division of State Police and Troopers Frank Schmitter and Steve Kelley, State Police Waterloo, for providing the instruction in Defensive Tactics at our Department's In-Service Session on July 16, 1996 at the Town of Greece Police Department.

Troopers Schmitter and Kelley provided an excellent presentation to our Investigators. Their presentation and expertise is another example of the high quality of professionalism Division offers. Please extend our Department's appreciation and thanks for a job well done to Troopers Schmitter and Kelley.

Again, thank you for your assistance in this training session.

Very truly yours,
