Dear Sir:

I would just like to thank you for allowing Troopers Doverspike, Schmitter and Kelley of the Waterloo Station to assist my Department in training. We were covering crowd control and some defensive tactics.

Your personnel were outstanding in the knowledge of this training and were most professional. These men are certainly an asset to the New York State Police and I would like to say thank you to each of them for this. These are three very dedicated young men to their profession.

It is always an honor to see the working relationship between Departments such as this and I encourage it to continue.

Would you please see that a copy of this goes into these Officers' personnel files.

Thank You,

Thomas H. Fox, Sheriff
