LETTER OF COMMENDATION

April 21, 2004

Trooper Steven M Kelley
New York State Police
SP Waterloo

Dear Trooper *Steve* Kelley:

During the period of April 11 through April 17, 2004 , you made two arrests for drugs and one arrest for Driving While Intoxicated.

The illegal use of drugs has an adverse effect on our society, resulting in the needless waste of lives, disruptions to family and the overburdening of our health care system. In an effort to preserve our quality of life, the State Police has designated illegal drug enforcement as one of our highest priorities.

Similarly, the State Police also considers Driving While Intoxicated to be an equally high priority. Each year many lives are lost or severely impacted by those who make the choice to operate a vehicle in an intoxicated condition. Through your enforcement efforts, the highways are safer for all New Yorkers.

You are hereby commended for distinguishing yourself in the areas of both drug and Driving While Intoxicated enforcement. I want to thank you for your efforts and extend my congratulations for a job well done.

Sincerely,

Steven T. White
