Re: Assistance to Child Support Enforcement (CSE)

Dear Major Koff:

On September 2nd, 2008 (per department policy) assistance was requested on a seizure of a vehicle for Child Support Arrears. Trooper Kelley responded to a call from Seneca County Sheriff Deputy Thompson.

The debtor escalated and Deputy Thompson called for backup. This debtor was known to Trooper Kelley, his presence along with Deputy Thompson kept the seizure moving along and was completed as quickly as possible.

Trooper Kelley was professional and courteous at all times both to us and the debtor, an asset to your department.

Our team, Donna Costello, Mary Sacco, Linda Wills and myself, cover 22 counties and Police assistance allows us to complete our task in a professional, safe manner. These seizures result in hundreds of dollars for clients or county re-imbursement. This would not be possible without your assistance.

Thank you for your support of the New York State Child Support Enforcement program.

Sincerely,

Charlotte Kiehle
