LETTER OF COMMENDATION

June 5, 2008

Trooper Steven Kelley
New York State Police
Troop "E"
1569 Rochester Rd.
Farmington, N.Y. 14425

Dear Trooper Kelley:

I want to thank you for the assistance that you recently rendered in assisting United States Immigration and Customs Enforcement Agents during the execution of a Federal criminal search warrant at a residence in Savannah, New York. A total of 16 undocumented aliens were encountered at the residence and placed under arrest after admitting to having entered the United States illegally. A search of the residence also resulted in the discovery of 11 counterfeit Alien Registration cards and 12 counterfeit Social Security cards.

Your actions in assisting Federal Immigration and Customs Agents are commendable. It is because of the efforts of State Police members like you that the New York State Police continue to be seen by the public as a premier law enforcement agency. I commend you for your commitment to duty, and thank you for keeping up the fine tradition of the New York State Police.

Sincerely,

Major Mark A. Koss
Troop "E" Commander
